The validity of this agreement and the legalities of the parties shall be governed by the laws of the Province of Alberta.

The Westlock Regional Waste Management Commission hereby reserves the right to make changes to its policies and forms, including this application, from time to time without prior notice.

The completion of this form does not in any way directly authorize the shipment of wastes to the Westlock Regional Landfill; the Commission reserves the exclusive right to withdraw any and all rights given under this agreement at any time without prior notice.

This permit is only valid for this calendar year and may be canceled at any time at the discretion of the issuer.
