

Westlock Regional Waste Management Commission

POLICY NO: OP08

**Approval Date:
Adopted September 27th, 2001**

TITLE: Miscellaneous Regulations

POLICY STATEMENT:

The Commission hereby establishes the following miscellaneous regulations, which must be observed by facility users:

- Vehicles must come to a complete stop before being driven onto the weigh scale, and only after being prompted to do so by the attendant.
- Listen to scale attendant for directions, things and places change, do not leave scale until scale attendant has given permission to leave.
- Loads must arrive fully covered by tarps and/or otherwise satisfactorily secured. Such securing may be removed only in unloading areas.
- All loads must be made available for waste screening and items must be separated as directed.
- Unloading is permitted only in authorized designated areas.
- Loose material must be removed from truck boxes before the vehicle leaves the unloading area. All tailgates must be closed and secured before departure from the unloading area.
- Disposal of waste in the wrong area can be subject to a fine, cleanup fees and banning from facility. If unsure where something goes ASK.
- Children and pets must remain in the vehicle at all times.
- All recycle must be sorted and placed in the appropriate area or receptacle
- Vehicles must use transfer areas where possible, restriction from landfill is for every ones safety.
- Smoking beyond the scale is prohibited.
- Scavenging is prohibited.
- All speed limits and posted signs on site must be obeyed at all times.
- Directions of landfill staff must be obeyed.
- ABSOLUTELY NO verbal or physical abuse to any staff allowed.

Failure to observe any of the preceding regulations, or such other regulations as may be imposed from time to time by the Commission may result in access to the facility, or any other Commission facilities, being denied and or fine.
