

Expanding ag waste recycling options for Alberta farmers!

Alberta agricultural producers can drop-off ag waste materials, free of charge at participating collection sites across the province.

Our ag-retailer and municipal partners collect and store your ag waste materials; then we arrange for them to be transported for recycling or safe disposal.

Would you like to be part of this program? Here's how...

Here's what we're collecting (click on the titles below for more details)

Where & when

 <p>Containers up to 23L</p>	<p>Commercial pesticide & fertilizer containers</p> <ul style="list-style-type: none"> empty jugs up to 23L; triple or pressure-rinsed, caps & booklets removed collection bags now available free of charge through retailer at point of purchase 	<p>Municipal collection sites or Ag-retailer or seed dealer¹ May to October</p>
